4) How do I apply?

To apply for the ELMORE program, you will need to call the toll-free ELMORE Application and Information Line at 1-(800) 601-3534. The call center is open and staffed with live HECM-certified ELMORE advisors on Monday – Friday from 9:00 a.m. – 8:00 p.m., and on Saturday from 9:00 a.m. – 2:00 p.m. The line is closed on Sunday and state holidays.

The ELMORE advisors will work with you to complete and submit your application, in addition to providing you with answers to your questions and

additional information about the program. The advisor will guide you through the process step-by-step.

Since you will be providing information about your financial situation, it will be necessary for you to have the following:

- Information about your reverse mortgage, such as your most recent mortgage statement;
- Your most recent income tax return (for self-employed borrowers);
- Information about your checking and/or savings accounts; and
- Information about the monthly gross (before tax) income of your household, including recent pay stubs, or documentation of income you received from other sources.

5) How much assistance is available for me?

A qualified homeowner may receive up to \$50,000 to bring current any past due property charges that have been paid by your reverse mortgage servicer, as well as up to 12 months in future property charges.

6) What are the terms of the assistance?

ELMORE program funds will be in the form of a 0%-interest, forgivable loan that will be subordinate to current mortgages on the home. The loan is forgiven at a rate of 50% per year, over a two-year period.

If the property is sold on or before the end of the two-year term, the ELMORE loan must be paid back and/or any net proceeds are due to satisfy the amount of the loan that has not been forgiven.

7) Will a homeowner who receives HHF financial assistance through the ELMORE program have to pay the money back? See answer for Question 6.

8) What follow-up is required for the ELMORE program?

Your assigned ELMORE advisor will be your point of contact for the program. You will need to contact your assigned advisor for a follow-up and updates on your application. Please, do not call Florida Housing.

9) Can a homeowner be a part of another program (HAMP, HARP, HHFUMAP/MLRP, HHF-PR, or other loan modifications and/or trial modifications) and still apply to receive ELMORE assistance?

Reverse mortgage servicers have differing rules regarding the use of HHF ELMORE program funds in conjunction with various modification and/or refinance programs. The servicer will have the final decision on whether or not HHF ELMORE program funds will be accepted for your current loan.

Homeowners who have received HHF MLRP funds in the past may be eligible for HHF ELMORE program funds up to a total of \$75,000 for all HHF programs in which they participated.

10) Can a homeowner be part of Florida's HHF program and still apply to receive ELMORE assistance?
